Quick Facts:

Every Body Dance is a 10 - 12 week dance program housed at your school at low cost to the school and/or participating families. Classes focus on creative movement and beginning ballet. The students study a variety of dance concepts while also improving important life skills such as problem solving, social and emotional learning, and strengthening the body and brain all through the art of dance. This program is also available in varying options including Folk Dance, Choreography, Jazz, Contemporary, Modern, Hip-hop, and Flamenco after discussion with school administration (pending availability).

Colorado Ballet provides an instructor, music, shirts and enrichment activities such as reduced price ticket vouchers to a Colorado Ballet performance at the Ellie Caulkins Opera House, depending on availability. The program closes with an informal performance for families, friends, teachers and community members showcasing the techniques and concepts learned over the semester. All abilities, skill levels, and dance backgrounds are welcome. Each participant in all after-school classes (grades K – 5) are invited to attend the Every Body Dance Summer Camp at Colorado Ballet Studios, and 1 – 2 students are chosen at camp for a full-year scholarship to Colorado Ballet Academy.

The **2019 - 2020** school year marks the twentieth year of this program! It has grown significantly – in the 2018-2019 school year our afterschool enrichment program served 22 sites with over 41 sessions that reached 630 students!

Thank you for being a part of this program's growth!

Timeline for 2019 – 2020 School Year

- **August/September 2019**
 - Every Body Dance fall registration (specific dates vary per site)
 - Fall sessions of Every Body Dance begin

 - **Payments for spring sessions are due**
 - You will receive an invoice at least 2 weeks prior to deadline from either Cassie Wilson, Emily Aalbers, or Bridget Heddens. Early payments are always welcome, feel free to request an invoice if you would like to pay earlier.

Policies

- Colorado Ballet’s Education department has an active Denver Public Schools (DPS) Partnership Agreement. We are involved in Community Partnership Systems (CPS), and our staff have all been cleared appropriately through DPS.
- Colorado Ballet’s teaching artists are not school/site staff therefore **we cannot hold responsibility for students who are not picked up at the end of class.** We **require a site staff member** to be present at the end of class to stay with any students.
- If the school/district closes school for any reason (weather, lockdown, strike, etc.), or if Colorado Ballet has to cancel for any reason, Colorado Ballet will attempt to reschedule, if/when possible. If a reschedule is not possible, the school will not be charged for this class.
- Our curriculum is designed to be 10-12 weeks. If your enrichment sessions tend to run shorter than 10 weeks, please consider combining two sessions. Colorado Ballet operates on a semester basis – fall and spring. We cannot guarantee the ability to accommodate a winter session.
- Students participating in Every Body Dance classes **ARE DISCOURAGED FROM** changing out of their school clothes. If students choose to change clothes, they must do so before the start of class. There will not be time included in instruction time for students to change into or out of “dance” clothes. If this becomes an issue, students will not be allowed to change clothes for class.
- Due to high demand of the program, we have enacted a 10 student minimum. Every Body Dance classes cap at a 22 student maximum for K – 5th grade students. For ECE classes, the maximum is 12 students. If your enrollment reaches higher than 22 students, please contact us to discuss options.
- For all Denver Public Schools: A **roster with required CPS student information** (student name as registered with DPS, birth date, and student ID #) will be requested a week prior to start date.
- Students will be given Every Body Dance permission slips that are required for program participation. We rely on the site contact to increase our return rate on these as they see students more often. Those who do not provide a permission slip signed by a parent or guardian by the due date may be asked to no longer participate in the program.
- Colorado Ballet retains the right to refuse service to any student whose behavior interrupts the goals, progress and general well-being of the class.
- A confirmation of program details will be sent to the site contact prior to the start date.
- If a substitute teacher is required for any program dates, the site contact will be notified before the start of class.
- Colorado Ballet reserves the right to have Department staff and guests observe classes at any time during the run of the program.

By signing below, I confirm that I have read and agree to the above policies and timeline.
